

Colonial Baptist Short Term Missions

It is vitally important that the team be covered in prayer before and during the mission trip. We ask that you commit to **pray daily** for the teams' health, food, drinking water, safe travel, transportation, and protection from seen and unseen dangers. Pray for the harvest of souls, and the work God intends to accomplish on the mission field. We are expecting God to do abundantly above all that we ask or think and that He will get all the glory, honor, and praise in all that is done, in Jesus name.
