

# *Sister-to-Sister*

## Mentoring Program

### Overview

*Sister-to-Sister* is a mentoring ministry of Colonial Baptist Church for women 18 and over. Mentors, who are mature Christians, serve as role models and trusted friends. Through consistent time spent in prayer, one-to-one activities and special group events, Big Sisters (mentors) and Little Sisters (mentees) develop an enduring relationship. The primary idea is for women ages 18 to 39 to be considered Little Sisters, and women ages 40 and over to be the Big Sisters. However, individual needs may dictate an overlap in roles. The main goal is to establish a meaningful friendship for support, guidance, love and encouragement.

### Our Symbol

The symbol for *Sister-to-Sister* is the butterfly  which signifies transformation. Our relationships will evolve and will not be at the same level at the end as it was in the beginning. Just as, through Christ, our lives are transformed as we grow deeper in our relationship with Him.

### Guiding Scripture

“Likewise, teach the older women to be reverent in the way they live, not to be slanderers or addicted to much wine, but to teach what is good. Then they can train the younger women to love their husbands and children, to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God.”

—Titus 2:3-5 (NIV)

*“How grateful I am that I followed the persistent prompting to get involved in the life of an older woman. How very, very faithful is the Father for He knew my need to be in her presence, to be nourished by her deep well of wisdom, spiritually and experientially. She has encouraged me to fix my eyes on what is eternal and what is a lasting treasure—Jesus.”* –Sister-to-Sister Mentee
